

OLDE TYME DAYS ANTIQUE TRACTOR PULL RULES AND REGULATIONS

1. Hook fee will be \$10.00
2. All operators must be members of SOUTH CENTRAL PENN HISTORIC AND POWER SOCIETY.
3. Operators less than 16 years old must:
 - a. have parental/guardian consent and have the parent/guardian walk along-side the tractor during the pull.
 - b. be able to reach the pedals
 - c. be in full control of the tractor at all times
4. Four-wheel drive is not permitted to be used during the pull.
5. First puller in each weight class has the option to accept the first pull distance or come back immediately to the lineup and pull again. The distance from second attempt will be the distance recorded in that weight class.
6. All Tractors will be allowed 100 lbs over the weight class limit. (Ex: 3000lbs. allowed 3100lbs)
7. If a single tractor pulls in two different types of classes, they will not be allowed to return to the lower type class pull in subsequent weight classes.
8. Tractors may pull three times – a single driver can only pull the tractor once per type/weight class. If a tractor is pulled more than once in the same type/weight class, only one of the driver's distance will be counted towards the final standings – which driver's distance to be counted will be determined at signup.
9. Clevis and drawbar should be of good structure.
10. Drawbar height needs to be 20" maximum and drawbar length needs to be 18" minimum behind center line of rear axle.
11. Tractor must be in neutral when being hooked to the sled.
12. Operator must keep hands visible to the sled operator while being hooked.
13. Operator must stay seated at all times during pull.
14. No pulling or pushing of governor during pull is permitted.
15. Tractors in classes with speed limits will be disqualified after two horn blows.
16. Tractor wheel stand will be at flagman's discretion.
17. Driver must stop for red flag.
18. All weights must be securely fastened.
19. Anything falling off a tractor will result in disqualification.
20. Any tractor will be subject to inspection post-pull.
21. All Operators must attend the driver's meeting before pull – late arrivals will be responsible for reviewing and complying with the rules.

Tractor Types

22. Stock – 3.5 mph limit, additional rules:

- a. Tractors must be 1959 and older to participate, unless the same model may have been built later (i.e. John Deere 30 series)
- b. Tractors must have original motor (i.e. Super 88 Oliver must have Super 88 motor)
- c. All governors must be set to factory or less than 10% over specs.
- d. Fuel delivery and ignition system must be stock.
- e. Tractors pulling 6500 lbs. or less must use 18.4 x 38 or smaller tires.
- f. Tire sizes are not limited for tractors pulling 7500 lbs. or more.
- g. No cut or altered tires.

23. Enhanced – 6 mph limit, additional rules:

- a. Tractors are not subject to an age limit.
- b. Tractors must have original motor (i.e. Super 88 Oliver must have Super 88 motor)
- c. Full cut tire 18.4 maximum size.

24. Open – additional rules

- a. Tractors are not subject to an age limit.

25. Weight classes are:
